

# Get well sooner!

## Health services at a glance

### Sounds good

Hearing aids – whether new or replacement

### In good hands

Prescribed remedies, e.g. physiotherapy, massages and occupational therapy

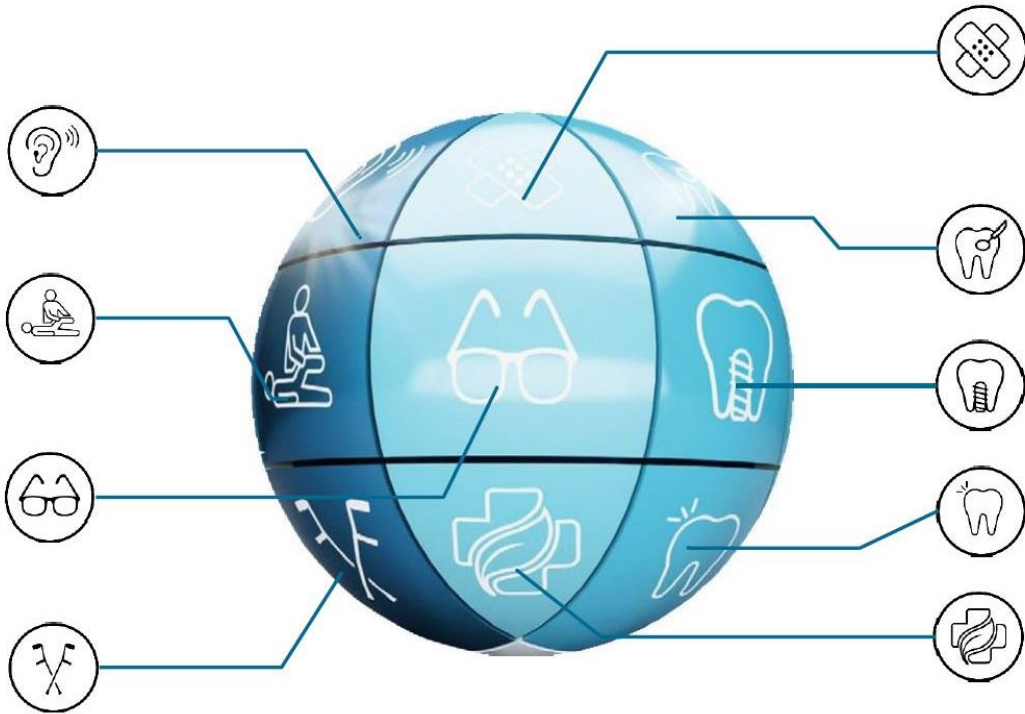

### Have insight

Up to 180 euros for visual aids and laser eye treatments (e.g. Lasik)

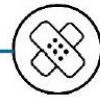

### Really helpful

Other aids, if there is no other way: From blood glucose meters to orthopedic custom-made shoes

### The best cure

All prescribed medications and dressings, no matter if private or cash receipt

### As good as new

Dental treatments, from plastic fillings to inlays to root and periodontal treatments

### No room for gaps

Dentures in the form of prostheses, bridges, crowns and implants

### Brilliant smile

Up to 60 euros for professional teeth cleaning or bleaching

### Healthy alternative

Special treatments by naturopaths, from acupuncture to osteopathy

Group of persons: Legally and privately insurance employees

Appointment service for medical specialists

Online-doctor's consultation live via video chat
